Spindle / Screws:	Machine screws with colour coordinated heads for handle. 60mm - 70mm profiles (1 x 8mm x 120mm spindle; 2 x M5 x 70mm and 2x M5 x 80mm screws)
Cylinder:	Euro Cylinder, 92mm PZ

#### Maintenance

For continued protection of the quality finish and appearance, Fab&Fix advise routine cleaning of all our external hardware. Moving parts should also be lightly lubricated at least twice a year. This procedure is particularly essential if products are used within a 25-mile radius of coastal areas or close proximity to building sites or large industrial areas, where more frequent cleaning may be required to prevent the accumulation of corrosive contaminants.

#### Packaging

##### Handles

Individually bagged with screws, spindle and care instructions.  
15 handles in an outer box.

All dimensions are in mm and are nominal.  
Fab&Fix reserves the right to change specification without notice  
It is the responsibility of the door manufacturer to ensure that the finished product meets any required safety and performance specification.
